Woman's Nature

It is the nature of women to suffer uncomplainingly, the discomforts and fears that accompany the bearing of children. Motherhood is their crowning glory, and they brave its sufferings for the joy that children bring. No expectant mother need suffer, however, during the period of waiting, nor feel that she is in danger when baby comes. If Mother's Friend is used in preparation of the event. Mother's Friend relieves the pain and discomfort caused by the strain on the different ligaments, overcomes nausea by counteraction, and prevents backache. Its regular use fits and prepares every portion of the mother's system for a proper and natural ending of the term, and it assures for her a quick and complete recovery. Mother's Friend is sold at drug stores. Write for free book for expectant mothers.
